SCHOOL HOURS

Before School Program	7:30 A.M. – 8:25 A.M. (Must Register to Attend)
Full Day of School	8:30 A.M. – 2:50 P.M.
After School Programs	2:50 P.M. – 6:00 P.M. (Must Register to Attend)
Early Dismissal Day	8:30 A.M. – 1:00 P.M.

All students must arrive at school no later than 8:25AM. Any student arriving after **8:40AM** will be marked late. Remember, 3 Lates = 1 Absence.

STUDENT DROP OFF/ PICK UP AREA – MT. VERNON STREET

Please be sensitive to others when dropping off or picking up students. **Pull over to the curb to drop off students** in order to avoid traffic delays during the morning and afternoon. All students should cross at the corners and not the middle of the street for their safety. Also, please make sure students come into the building, and **do not** go to the store or any other place off school grounds without your supervision.

ATTENDANCE POLICY

NJ State Law, Title 18A, Section 38-26 states that, **“Parents or guardians have the responsibility to have their children in school on days when schools are declared open (other than for reasons of illness)”**. Every student is expected to come to school on time every day except for illness, religious holidays and emergencies. Please adhere to the state laws as you plan your family vacations and other appointments.

In order to gain maximum success in academic achievement and obtain mastery of grade level skills, students must attend school every day on time. All students are required to submit a note from the parent on all absences. If the child was seen by a doctor when absent, a doctor’s note must be submitted.

Students with 100% attendance for any month will receive school wide recognition and attendance incentives. Students with 100% attendance for any marking period will receive Perfect Attendance recognition and incentives.

Consequences for absences and lateness may include: denied participation in co-curricular activities (i.e., field trips, Fun Day, promotion exercises etc.); denied participation in athletics/extra-curricular activities; detention; and accommodation room.

LATENESS

We encourage regular attendance at our school; however equally important is having the children arrive at school on time each day. Punctuality is important at this level as we aim to develop in students lifelong habits of being on time. Late arrivals cause disruptions in the classroom and a rushed start for the day.

Any student arriving late must report to the Main Office for a late pass. The student should bring in a written note explaining the reason for the lateness. It is the responsibility of the parent/guardian to contact the school whenever the child is going to be absent or late.

The following administrative actions will be taken regarding multiple lateness:

- For every 3 lateness, a warning letter will be sent home.
- After 10 lateness, a warning letter will be sent home and a parent conference will be required with School Administration.

EXCUSED ABSENCES

It is the responsibility of the parent to contact the school whenever a child is going to be absent or late. Our school shall attempt to notify all parents by phone when the child is absent. In accordance with the Attendance Policy of the Camden City School District, the following procedures will be taken:

- A Truancy Notice will be sent beginning with the third day a student is absent from school.
- After 3 unexcused absences a 3-day warning letter will be sent home.
- After 5 unexcused absences, a 5-day warning letter will be sent home.
- After 6 absences, a parent conference will be requested with the principal.
- After 10 unexcused absences, a 10-day letter will be delivered and court proceeding will be initiated.

An excused absence is an absence that the district has determined shall be excluded from counting towards the accrual of days that lead to court action or dropping a student from the school's register. All class work missed during an excused or unexcused absence must be made up by the student. Except for religious holidays, excused absences count as an absence on the child's attendance record.

Parents shall submit a note for each absence on the first day that the child returns to school. Based on the note, an absence may be determined excused by the principal. Examples of excused absences are: illness, death in family, and religious holidays. Extraordinary absences, whose request is initiated by the parent, may be excused by authority of the principal in consultation with the Superintendent. Extended absences or multiple absences will only be excused with a doctor's note. Please note, extended absences such as family vacations, weather related absences when school is in session, and others will not be accepted and will be marked as unexcused absences.

Any student absent three or more days is required to submit a doctor's note stating the reason and when the child is ready to return to school. The note and the student should be seen by the school nurse. Please notify the school nurse, if a communicable disease (i.e., chicken pox and measles) is involved.

EARLY DISMISSAL

It is strongly recommended and advised that students bring a note from their parent/guardian if they are to be released from school before 2:50 P.M. Please come directly to the office—not the classroom. Sign the Early Dismissal Log and your child will be called from the classroom. The safety of your child is very important. We will not release your child to anyone but the parent/guardian or the person on the emergency card. Please keep in mind that repeated early dismissals may have an adverse effect on student performance and will count against perfect attendance. Please note, **the school is closed to visitors from 2:30 p.m. until 2:50 p.m. dismissal. No one will be admitted to the building during this time. There will be no student pick up during this time. If you have an emergency situation, please contact the Main Office at 856.966. 5120.**

ACCIDENTS, SICKNESS, MEDICAL EXCUSES

Any accident, sickness, or medical problem occurring during the school hours, on school grounds, or at any event sponsored by the school, must be reported immediately to the person in charge, the nurse, and the school office.

EMERGENCY SCHOOL CLOSING

School will be delayed or closed as a safety precaution when weather conditions make travel hazardous. If the closing of school becomes necessary, announcements will be made over the local radio and TV stations. Our school closing number is 614.

SCHOOL VISITORS

Our school policy is to accept only visitors who have legitimate business at the school. Such visitors are expected to leave promptly when their business is completed. **STUDENT GUESTS ARE NOT PERMITTED AT ANY TIME.** Parents are always welcomed guests. Upon arrival, all visitors must sign in at the Security Desk and receive a visitor's pass from the Main Office before going to any classroom or office. **Please be advised, the school is closed to visitors daily from 2:30 p.m. to 2:50 p.m.**

MEETING WITH YOUR CHILD'S TEACHER

Conferences with teachers must be scheduled in advance. During the school day, teachers are instructing classes and cannot receive phone calls or meet with parents/caregivers. We encourage you to schedule a conference with your child's teacher. This can be arranged by contacting your child's teacher. Conferences may be requested through the Main Office or the (FOC) - Family Operations Coordinator.

BACK-TO-SCHOOL NIGHT

One evening each year (September 27, 2017) is set aside by our school as an *Open House*, when parents are invited to come in and meet the teachers and other school personnel. The program provides parents and teachers the opportunity to get acquainted while at the same time it acquaints the parents with some aspects of the school life.

CHANGES OF PERTINENT INFORMATION

Please notify the office if you have changed your address, home, cell or work telephone numbers or any other important information. It is essential to have current information should an emergency occur.

STAFFING & INSTRUCTIONAL PRACTICES

At WCPLFS we have an appreciation for all our students' diverse abilities to learn and grow. In our school there is an Inclusion class for Grades 5-8. The typical inclusion classroom has the same teacher-student ratio, however up to one-third of the students may be classified. This district provides the opportunity for all students to learn and grow together and to be enriched by each other. The school also has self-contained/ learning disabled classrooms for students in Grades 4-6.

Every classroom has a certified, highly qualified teacher. The inclusion classrooms have a certified regular education teacher and certified special education teacher. In grades Pre-K and K, there is a certified teacher, and a paraprofessional. In the Special Needs classes, there is a certified special education and a paraprofessional, if the class has more than ten students. All of our instructional staff plans sound instruction based on the Common Core State Standards/New Jersey Core Curriculum Content standards and researched based best practices.

PARENT/GUARDIAN CONTACT FORM INFORMATION

The information on this form is important and should be completed and returned to the classroom teacher as soon as possible. This form contains telephone numbers where you, your spouse, a relative or close friend can be reached in an emergency. When indicating an emergency person, please make sure that the person is willing to help out during an emergency. **Be sure telephone numbers are up to date** and you notify the office of any changes. Updated Parent/Guardian Contact Sheets will be requested every marking period.

EMERGENCY DRILLS

The New Jersey State Law requires that one fire drill and one security drill per month will be held during the school year. All children should adhere strictly to the fire and security drill procedures. Directions for students are posted in each room. Anyone found tampering with the fire alarms or fire safety equipment will be suspended and turned over to the police officials for prosecution.

STUDENT SERVICES

NURSE'S OFFICE/ HEALTH CENTER

The school nurse's office exists for emergency situations and to provide services to students who become ill. If a student must take medication while at school, he or she must bring it to the nurse along with specific instructions signed by the prescribing physicians. The nurse is also responsible for determining that all required immunizations are properly documented. Students who do not have the required immunizations will be excluded from school. Starting in January 2018, we will expand health services for our students. Through a partnership with the Camden Promise Neighborhood and the Cooper Health System, we will be opening a Student Health Center at Wiggins which will provide a wide range of services from immunizations to physicals.

STUDENT SUPPORT CENTER

The focus of the Student Support Center is to provide outreach and services to our students to ensure our students achieve to the best of their ability. BEHAVIOR EXPECTATIONS & DISCIPLINE

At the Camden City School District, the observance of order is of most importance if students are to learn. Therefore we expect an orderly school climate. Students are expected to always behave in a responsible manner. Any infraction against good order will be dealt with by the classroom teacher. If the teacher should find a situation beyond his/her control or that the seriousness of the situation requires the attention of others. Administration will decide the appropriate course of action based on the Camden City School District's Discipline Policy and in conjunction with the Student Support Services Team at Wiggins. Appropriate punishment may include: detention, probation, and in most cases a parent teacher conference will be conducted. Suspensions will be carefully administered after any serious incidents of misconduct and a parent conference.

For further information regarding Camden City School District's Discipline Policy and the Student Rights and Responsibilities Guide, please visit: www.camden.k12.nj.us – Click the drop down "For Families".

WCPLFS utilizes Positive Behavior Systems in Schools (PBSIS) in conjunction with Restorative Justice and Peer Mediation to foster a school environment where:

- Children are recognized and rewarded for positive behaviors
- Held accountable for negative actions by amends to those offended
- Empowered to resolve conflicts on their own or in a small group setting

Wiggins Dollars can be received as recognition for students' achievements and positive behavior. Wiggins Dollars can be redeemed for incentives/prizes in the Wiggins School Store.

WCPLFS has adopted a unified discipline policy to be observed in all classrooms. The purpose of our discipline policy is to maintain a positive school environment where individual student growth is fostered, while students become self-disciplined. It seeks to encourage responsible behavior and to provide all students with a satisfying school experience as well as to discourage misconduct. Rewards and consequence are determined by each individual classroom teacher.

We believe that every student should follow the school rules and policies. If your child continuously disregards our uniform policy, the parent/guardian will be required to attend a parent conference and your child may be unable to participate in extracurricular activities and events. If there is a financial hardship that prevents you from getting uniforms for your child, please contact Mrs. Lidia Carrero, Family Operations Coordinator at (856) 966-2000 ext. 29421 for possible assistance.

PERSONAL ITEMS

Occasionally things happen at school where personal items belonging to a student get lost, broken or stolen. All parents and students are cautioned that the school will not be held responsible for the repair or replacement of these items when situations such as that occur.

If a student's possessions are damaged or taken by another student, the issue of replacement/repair must be settled between the parents/guardians of the involved students. In circumstances where the damage or loss occurred during the transgression of items in the school's discipline code, the students will be held accountable by the school for their actions.

- Sign your child's at home reading log sheet daily.

ROLE OF PARENTS/GUARDIANS

WCPLS recognizes the vital role that parents/guardians play in the welfare and education of their children, and in shaping character and values. The lifeline for student success is active parent participation in our school. Students are more likely to succeed when parents are actively involved in school activities. We encourage all of our parents to volunteer in the school and to help out in the classrooms.

Parents are requested to keep the school aware of changes in factors in the home situation which may affect a child's conduct or performance at school. Parents are specifically requested to inform the school of any change in legal custody of the child.

Additionally, parents are responsible for providing the school with updated contact information. Should your address or telephone numbers change, please notify the Main Office, Nurse and Classroom Teacher as soon as possible.

In the case of an emergency, it is extremely important that we have current address and telephone numbers. Parents are also responsible for their child's punctuality, attendance, and cleanliness/dress.
